Ways To Find JV Partners

What's the best way to get JV Partners and Affiliates to promote my stuff?

My buddies Chris and Kyle went undercover over the last 6 months to develop a secret affiliate getting software to easily find, contact, and land the small, medium, and whale affiliate partners.

Chris used this same affiliate getting software you're about to see to land over 412 affiliates in a little over 14 days to go on and generate over \$75K in sales in less than a week.
