Product Launch Formula 2 - JVs and their secrets

<http://www.PLF2BONUS.com> Product Launch Formula 2 will be a great success and there is no question about that. Jeff Walker has kept a close record of all of his students and their product launches to update and improve the program. In this video I'll share the importance of JVs in Product Launches and my special tips to manage them and get them to promote since that is one of the cornerstones of Product Launch Formula 2
